“ My prayers and thoughts are with the Pittman family. Mike and I went to school together and my memories of him were great. Mike has this smile in school that could light your day. He was very nice and thoughtful to me and I definitely appreciated this. I pray the family finds peace and strength in God and know that to be absent from the body is to be present with the Lord.

“ My thoughts and sympathies are with the Pittman family and everyone whose life Mike touched. Mike was one of my best friends in junior high, and because of him, that was one of the best and most memorable times of my life. I loved the person I knew then-- funny, class clown, and all around good. Anyone who knew him was very, very lucky, and anyone who knew him will miss him more than words can say. I'll never forget his smiling face and what a mark he made on my life.

“ *My sympathies to the Pittman family and all that love Mike. I went to school with Mike in Benton and adored him. His smile is what stands out most in my memory. He could brighten your day with a smile and a wink. That smile always had a hint of something mischievous behind it. He was a joy to know and I'm proud to say he was a friend. I just wish he had made it to our reunion in September. I know you will all miss him terribly. I pray that God will wrap his arms around you and bring you comfort during this difficult time.*

“ *My Dad recalled the time Mike came to deer camp and on a very cold night as all the hunters where inside in a warm bed - Mike (like a true Marine) slept outside in a sleeping bag by the camp fire.I told my dad, "Yep that was Mike" thats just how he was,did his own thing.....great,great, guy Don't know why he had to go so young.*
