“ *My thoughts and prayers go out to the family, as I remember all the great times I had at your house. My memories are so vivid in my mind of you and your beautiful daughter who truly was a sister of mine. It seemed we were at each other's house so many weekends. God, please bless this family and keep the love & memories alive!! Love you all!!!*

“ I have many many memories of Mildred over the years . Her daughter Maribelle and I were soul mate sisters. Mildred was a second momma to me literally. A favorite memory was of her greeting us at the door when we would return from some adventure and she would be counting on her fingers one by one the hours we had been away from the house wondering what we possibly could have been up to for being gone so long. It was so funny to me but annoying to her daughter. Another memory was of her coming to my home in Overland Park Kansas and looking at every single picture or knock knock I had out all over the house in careful detail and loving it all and making me feel like my home was a mansion.! I have so many moments with her that fill my heart and she has contributed to part of who I am today. I will miss you Mememaw!!!!
