“ I remember sitting on the sofa that you had built on Philip Ave. playing with puppy and listening to you talk about hunting stories, and Thomas Jefferson. Jeff and I always looked forward to Wednesdays with you and grandma. My days with you are still some of the most important and cherished memories of my life. I have and will continue to miss you dearly granddad. There is so much more I had hoped to get the chance to tell, questions I wanted to ask you before you passed, but my only hope now is that you have found a peaceful rest.##imported-begin##stephen sommers##imported-end##
