“ Linda, Louis and Brinda. I'm sorry for you loss. I remember the Pot Luck suppers we used to have and when your mama worked with my mama in her beauty shop. She's with your daddy now. God Bless you. I'm in the hospital and can't come to visitation or the funeral. I just wanted to let you know I'm thinking about you.

We have known the Gentrys for many years. We are so sorry for your loss. We played 84 or 42 with them many night, had cook outs and fishing trips. When we were all teenagers we would play Ray Charles albums and dance in the living room as our parents played dominos .. Those were the good old days. To Linda,Louis and Brenda I send all our love and prayers for peace.

Mona and John were life long friends of mother and dads. All the couples spent many happy hours fishing at the county farm and of course cooking what was caught. Then came the 42 and 84 games. Since Mona was the last of the parents, it seems that wonderful part of our lives has come to an end. But Lewis, Bilinda, and Linda,we will always have our wonderful memories. { Marvin and Lena Bradshaw}
