“ *Cousins, I was sorry to hear of the passing of your mom. I have such fond memories of y'all. I remember the adults sitting around the table at the farm with the kids being sent outside; I always wanted to know what was being said. I remember how several of us would share the beds at night since there was not a lot of space. It has been quite awhile since I have seen y'all, but you each hold a special place in my heart. Know that you have been in my prayers. My love to you and your families. Love,
