“ *What a special aunt you were Aunt Myrtie. We so loved being with you. The times we came to Texas were so fun ! You made us laugh as we listened to you talk about your childhood memories and it was fun to look at all of your special keepsakes in your house. When we went to church with you it was fun to see how proud you were to have us there! When we knew you were coming to Wyoming for Christmas it made the excitement so much greater!! Our hearts are filled with so much love for you and we know that you are watching us from your heavenly home.
(I can still hear you telling me " love you bunches". Just know Aunt Myrtie that I Love You Bunches!!! Thank you for all of your love, hugs and kisses and the special memories that fill my heart. ❤️
