“ *Nancy used to lead the Praise team for the Wed. Bible study at Grace Lutheran Church. She knew how to bring out the best in us by being kind and generous. I will miss you Nancy but I am comforted knowing that you may lead me in praise again when I reach Home.*

“ Nancy was the choir director at Grace Lutheran Church in Huntington Beach California when I decided to join the choir. I knew she was a special lady when I met her. I also knew Bill was a special man as well. I very much admired her knowledge of music and her love for God and prayer. She made our choir better than we thought we could be just by her words of encouragement and her belief in our abilities. Nancy will be sorely missed but we can be sure that she will be singing God's praises in His Heavenly Home. May God bless you with wonderful memories, Bill. We are so sorry for your loss. Our deepest sympathy. Hugs Cheryl and Klaus Cuthbert

“ Nancy was a life force who entered my life through Our Saviour's Lutheran Church when she accepted our offer to become the church accompanist. I have so many memories of Nancy's musical gift. One I cherish is the traveling music she played as I made my way from the choir section to the podium to introduce the new Combined Service where we would worship as on congregation--of course she played ONE from A Chorus Line. When I last saw Nancy a few days before her surgery, she was sporting a new hair cut and sailor hat and we shared a laugh about a card I had sent her. That smile, that talent, that life force will remain a treasured gift from God to me named Nancy. My thoughts and prayers are with her family and with her special guy, Bill. Please know you are in our prayers.
