“ Wallace and Dorothy so sorry for your loss. It is hard to lose an elderly person but when it comes to one of our children it is really hard . Nancy is in between my older two. You are in my prayers.

“ I love this picture chosen of Nancy Lynn...the beautiful smile coming from inside of her beautiful spirit. My first remembrance of Nancy was 50 years ago when we were just 5 years old...she and I were in love with the "Barbie" watch that I had received for my birthday. I have many other memories through the 50 years since. Rest in peace sweet cousin...we will meet again. Love, Kim

“ I have 55 years of memories of Nancy Lynn, beginning with the first time she was placed in my 3 year old arms when she came home from the hospital. She was my first real live baby doll. Thank you, Aunt Dorothy, for sharing her with me. Nancy, I'm missing you more than words can say, but I know we'll be together again one day.
