“ *I lost touch with her in the 60's, after we had gone to Rock Lake Elementary and Memorial Junior High together (Orlando, FL). Even then, she stood out as mature and , well, classy. I've never forgotten her.*

“ *The conversation we shared at Taste of Italy last summer will be with me a lifetime. It felt like I knew Nancy forever in just that brief 2-hour discussion. Nancy had a way of sharing her faith, love and devotion for family and courage for life's challenges that gave me deep admiration and respect for her. Our family holds her husband, children, grandchildren, mother and brother close in thoughts and prayers.*
