“ *It's hard to share a memory because there are so many. Nathon was a wonderful man with a quick smile and willingness to do anything he could to help with anything. He was strong in his fight and will be missed. But when he closed his eyes in this world, he opened them in the next to see the face of Jesus. He has no more pain. Till we all meet again..... Prayers for peace and comfort for all of the family.*

“ *My thoughts and prayers are with the family. What a precious person Nathan was. I still remember the day he was born and all the happy times as kids we played. Also, remember his first haircut with gardening shears that my little brother, Nathan's buddy, gave him. Oh we had a blast those days on Idel Street. Gwendolyn, Kyle, Adelia and all, I pray God's grace and comfort over you in this time. He was such a giving, loving, helping soul and will surely be missed. Love you all. Love, Venita Maynard-Garrett and James Maynard.*

“ *Nathon, I love you brother, family in my heart. School k-highschool, highschool through all eternity. Well everyone knew you as a lady's man in school, your beautiful smile, big heart and your strut. You worked alot with daddy and you both had something in common, cancer. You both joking around made my daddy's day. You were a fighter, never giving up till your final breath. Daddy got a big kick out of the day he asked you if he could get some of that marijuana from you that keeps you going and you came back at him laughing saying, "no but I know where you can get some!" Thank you for always making me feel special, the times we visited at the Dairy Queen, you were so excited to introduce your wife to me. I love you and will miss you until later.*
