“ My Dad was a brilliant and tender man and a loving father. He was also a proud servant of the United States Air Force for many years and retired a MSgt. Dad, I will always be your little girl and miss you more than words can ever express. You have always been there for me and the voice of reason in my life. I will always cherish the long talks we had that went on for hours and hours. I don't know who I can talk to now, no one will ever be able to fill your boots. “Oh Boy I'll tell ya”.... My heart hurts tremendously for losing you. There is no pain where you are now, and I will see you again someday. “To make a long story short”, I will live on with integrity and the solid values that you have instilled upon me. The best Dad in the whole world was lost the day you left the earth. May you rest in peace and may angels envelope you in their wings. GOD BLESS you and keep you for an eternity. LOVE ALWAYS ...your daughter, Lisa.

“ I want to acknowledge our niece, Cheri Stoner Stanford, RN, for all the medical advice and support she provided me during her Uncle Nevin's long illness. In addition, I would like to thank Enhabit Home Health & Hospice Care for all the wonderful care and advice they provided. Nevin was a loyal brother to Deborah Swartz Stoner and Edward Swartz, Sr., (deceased) and a wonderful uncle to Cheri and (Dr. David) Stanford, and Mike and (Sonja) Stoner, Jr. Again, I could not have done this without the help and constant advice from my niece, Cheri. I will forever be grateful to her.
