Jennifer and family, We are so sorry for your lose of Nolan...reirement was supposed to be full of fun filled memories...so sorry you two had to cut yours short. I am glad that he will no longer have to suffer. If you need anything done around your place that a man would have to do, please call us...Anthony would be more than glad to help with leaky faucets, or water heaters that go out or anything in that area...as for me, I have a good ear, and a soft shoulder...if you just need a friend to help you through this. We both love and care about you, Anthony and Ginger
