“ Truly a loss to the world! Aunt Norma always had a huge smile on her face and spread joy and happiness everywhere she went. Never heard a negative word pass through her lips about anyone or anything so she stands out as such a role model for all.

“ When we went to visit my Aunt Lynette and Uncle Joe Barrington, we always saw the Burtons. Norma always had a smile and a wonderful laugh. She treated my sister and I like one of the neighbor kids on Pomona. Thank you, Norma, for being a wonderful role model for me. My prayers are with all who grieve.

“ *Precious in the sight of the Lord is the death of his faithful ones. Psalm 116:15. Norma, one of His precious ones always had a smile and her joy in the Lord was so evident as she talked about her family and always showed an interest and desire to know others and encourage them. We remember her smiling face collecting meal money on Wednesday nights or welcoming words when she volunteered in the office at FUMC. May her family and friends cherish their special memories of her as she cherished each of you.*

“ I don't even know how to begin to use words to describe how much my Aunt Norma meant to me. She always made me feel like I was so special and so loved. She would be so excited to see me and spend any time I had to give her. I could tell her anything at all and she would just listen and love me so much. I will miss her more than I can even imagine. She was one of my very favorite people in my life. I can't wait to meet her again in heaven. I know she is so happy and pain free now. That is the only thing that makes losing her, bearable. I am so glad I was with her as she left us to make her way to be with Jesus, who she loved with all her heart. Thank you Jesus for welcoming her into your home and keeping her with you until we meet again. I love you more than words can express, Aunt Norma. Until we meet again, Pam

*“ When I was in my 20's, I had the great pleasure of meeting the wonderful Norma Burton. We worked together for about 25 years. All during those years, I would go to Norma & Nan McDaniel for motherly advice. About 90% of the time they would give excellent advice and things would turn out like I wanted them to. Then there were times I was a typical kid and did not take any of the motherly advice I should. To: the Burton Family, this is the reason I call Norma and Bruce my second set of parents. Norma is much loved and will be missed greatly. My heart and prayers go out to the family, because I know Norma is well taken care of,*
