“ *Uncle OC was a character. His infectious laugh and jokes will never be forgotten. I can remember going down to see him and Aunt Joann. A cigar never smelt so good!!! For my whole life anytime I see a cigar, I think of sweet Uncle OC. As a little girl I would go to work with Mawmaw at Terry's Restaurant and Uncle OC and Aunt Joann would come in for breakfast. The old timers tend to have an everlasting effect on us younger generations. They are loved dearly. I pray for all during this time and the days to come. Cousin Tabatha, we love you and are thinking of you. May Uncle OC's sweet soul test in peace.*

“ My uncle OC was a very respectful ,loving,kind,and I hardly ever seen him angry.... Him and my Aunt Joann took me to stay with them ,off and on, for our pleasure of being together and good times... He was always a worker hard worker I just know nothing bad about this man I loved him so much and I loved him dearly but when my Aunt Joann passed, he moved off to Chandler, and I hardly ever seen him I haven't seen him in a long time but they said he would probably not ,recognize me I don't know, and I didn't want him to not recognize me because that would just kill me ,there's many,many fond memories of my uncle OC... He was a blessing to my life and I'm so glad God blessed me in knowing him , he had a happy life a very productive long life and I'm so glad that God gave him that much time on this Earth to get to know his family and love them just has he did.... Was one of my favorite people in this world and I'm going to see him again in heaven like the rest of my good familyI love you, Uncle O C... ❤️❤️❤️ Til we meet again
