“ *Onie was and is one of the great ladies I have had the honor to meet. I meet her and Darwin through my mother in law, Susan Dickey. Onie always had wonderful things to say and always had a very welcoming and warm smile. She was beautiful inside and out. My prayers are with Darwin and his family. God bless you all.##imported-begin##Larae Hutchings##imported-end##*

“ We feel so privileged to have known Onie. She shared so much love with our children. They will always remember her bringing candy bags to them each Halloween, and showing them her collection of dolls. We were sorry not to be able to make the service, but our love and prayers go out to Darwin and his family. We know that Onie is continueing to express the joy that she shared with us here on earth.##imported-begin##Debra and Peter McCook & family##imported-end##

“ Beautiful, is the first thing that comes to my mind when I think of Onie. The first memory of Onie I have we were living on the farm next to Uncle Rufus and Aunt Julia. I must have only been 4 or 5 she was 8 or 9 we were walking to my house from hers. Apparently we had been playing at her house. She must have been walking me home. There were some Bull Nettles at the end of our road. I remember thinking the flowers were so pretty. Before Onie could stop me I picked the flower. I’m sure I could be heard at both houses! My thoughts and prayers are with you all! Love to all! Mary##imported-begin##Mary Melvin Armstrong##imported-end##
