“ Yesterday morning, my precious mother went home to be with the Lord. There are no words big enough to describe the woman she was or the love she gave so freely. She was the most amazing woman I have ever known. She was kind, gentle, and full of a love that reached everyone she met. If you knew her, you know exactly what I mean. She had a way of making every person feel special, seen, and truly loved.

Her heart was pure, her hugs were healing, and her faith in the Lord was unshakable. Even though our hearts are broken and we will miss her every single day, we find comfort in knowing she is no longer suffering. She is whole, at peace, and in the presence of Jesus which is exactly where she always longed to be.

We were so blessed to call her Mom. Her love shaped us, her prayers carried us, and her legacy will live on in all of us. Until I see you again, Mama. I love you forever. □

“ *Every memory of mom was unforgettable. She's the most loving and caring person i know. she was always there for everyone. She always carried the most beautiful smile. Her laughter was warm and I always enjoyed hearing her laugh. Hearing her laugh was always music to my ears. At Easter, she fixed me and my sisters the best Easter baskets. There's nothing she wouldn't do for anyone, especially her children. Mom, I love and miss you so much. I know you're in a better place. One day we'll meet again. Until then, know that you're always in my heart. It kills me that I moved back to Texas so I could spend more time with you and I didn't even get to say good bye. I was too late. Just want to say I'm sorry, and i wish i could turn back time. But one day we'll meet again. I'm just glad you're not hurting anymore. I love and miss you so much.*
