"We are Christian, because of what we believe and how we acted with love and compassion in life. We cursed, drank, and smoked, but never hurt (or intended to hurt) anyone. We were true to ourselves. Our beloved family shall hold what ceremonies that give them pleasure and comfort. Please don't have an ignorant person going on for an extended length or we will come back and haunt you. Love to my children, their spouses, grandchildren, their spouses, and great grandchildren. I have been blessed. I was blessed with the best husband in the world."
