“ *Dear Cindy, Steve, Susie, and family,  
We were so surprised and saddened to hear of Peggy's death. We were in Florida for the holidays visiting Mom and all the family at that time so we never saw anything in the paper. Please accept our condolences. Your mother was a wonderful lady who I will always have very fond memories of. I spent a lot of time at the Parker household (when we lived in GA)and although the years drew us apart physically, your family was always close in our hearts. And then to meet up again in Texas! Who would have guessed? I do hope you will be able to read this. Please contact me so I can give you Mom's info. She would like to send you a card and /or speak with you. May God give you comfort, healing, and peace in knowing that Peggy is in that better place where we all strive to be.*

*With much love and God's blessings,

“ I have only had the honor of knowing Peggy for 2 years but she is has been a positive addition to my life. As a member of the same Red Hat group I have enjoyed her sense of humor and quick wit. I saw Peggy at the club house in mid November and she looked so beautiful and was one big smile.

My sympathy to the entire family on your loss.##imported-begin##Judy Seifert##imported-end##
