

## Philip (Mike) Littell

February 14, 1947 - January 4, 2023

On January 4, 2023, Philip (Mike) Littell passed away. He was born in Indianapolis, Indiana on February 14, 1947 to the late Mervin and Erma Littell. After high school, he attended Purdue University, graduated in 1969, and then joined the United States Marine Corps. Mike became a USMC Captain during his service. Mike had one brother, Kenneth Littell, who preceded him in death. Joining EDS as his first employment, he remained with that company over 30 years, serving in many capacities. He also had employment with Hewlett-Packard and Fi Serv. In 1976, he married his wife, Lynn. Together they had two children: Mark Daniel and Heather Marie. The couple always agreed that raising these two wonderful people was the highlight of their lives. Mike loved his family, his work, Western films, and holding leadership roles at church. He enjoyed discussing world history and current events. After retiring, he moved to his lake house at Hideaway Lake, near Lindale, TX. There, he developed an interest in art, fishing (especially with his five grandchildren), grilling out, and bible study at his church. He leaves many who loved him; Mark (son), and his wife, Kiara, of New York and their two daughters, Addison and Raegan, Heather (daughter), and her husband, Phillip, and their three children, Benjamin, Olin, and Charlotte, as well as many friends, work associates, and people along life's journey. There will be a service held at Caudle-Rutledge-Daugherty Funeral Home in Lindale, TX. On January 16 at 3:00 p.m. Visitation with family will be held one hour before service at the funeral home beginning at 2:00 p.m. Burial will take place on Tuesday morning at 10:30 a.m. January

17, 2023, with military rights at the Dallas Fort Worth National Cemetery.  
Donations may be made to Wounded Warrior Project <https://www.woundedwarriorproject.org/donate>

“ *I first met Mike in 1990 when I moved to the Houston area and began working for the Account Manager of the First City Account (Mike). For over 12 years I continued to work with Mike as his assistant. I met and shared memories with almost every member of his family. Of which, he was extremely proud. He was an awesome leader at EDS, but family always came first, his and yours. I hope in time your warmest memories will lead you to a place of comfort and peace. I will forever remember Mike. Sincerely, Sandy.*

“ It's been 40 years since Mike and I first met at EDS. Through 30 of those years I worked directly or indirectly with Mike. He was an incredible leader. One of his strengths was to identify what was needed in a team to be successful for the client and EDS and staff accordingly. I am so grateful to him for believing in my abilities even in the moments i didn't believe. I could write a book on Mike stories, adventures and experiences. He had a huge serving heart with love especially for his family.

Mike I know the mallards will miss you in the mornings and the catfish will miss their feedings.

We send love and prayers to your family as they walk life without you. Much love Theresa & Tommy McCarter

“ Captain Littell and I worked hard to stay out of trouble for many years. We shared common interests and enjoyed many of the complexities work, leaders and clients can throw at us. I will miss his inquisitive smile. Delayed getting to Lindale for one reason or another and now wishing I had visited.

*Best thoughts and prayers for the family!*

“ Dear Littell family, We were saddened to hear of Mike’s death. What an empty space there must be within your hearts now. But we serve a God who can heal your pain and sorrow. May the gap left in your life be marked with memories of joy, love and gratitude for his time on earth.

“ I worked with Mike for many years at EDS and count him among a select group of my very best friends. I was a Cowboys fan. He was a Bears fan. Needless to say we had some interesting discussions. On top of that I had to hear about the prowess of the Boilermakers. I have always had an never-ending respect for Mike for his service to our country. He was the quintessential EDSer. With Mike it was ALWAYS about doing what was right. He will be missed by all who knew him.

“ We were new to the neighborhood, and here comes Mike to welcome us. Being a USMC Marine myself, an immediate bond occurred, and a friendship grew from there. we will truly miss Mike’s kindness, and his wit and wisdom, so it is with great sadness that we say to the Littell Family;  
May time heal what reason cannot, and may the belief in God’s Promised Blessings bring peace to the Littell family, now and in the days to come.
