“ *Randy was a good man. He did some construction work for us in the Palestine area. A hard worker, full of ideas to better the space he was working on. He had a talent for making things nice.*

*I will always remember his long , quick stride as he busily worked on projects. He did 3 or 4 things at the same time!*

*I will miss him.*

*My favorite memory of Randy will always be when he showed me a monument of an enormous bible last week. He asked me to walk up to it with him and hold hands and pray. The Bible has the Lord's Prayer engraved on it! Wished we could do it again!!!! Such a busy busy life we all have. It's one time I'm glad we took the time to do that!!! Will never forget it!!!*
