“ *My name is Ray Hunt and I considered Richard a good friend and fishing buddy. I have many stories of the times we went fishing, a lot of them I can't post here, but we had a lot of good times together. Richard was an exceptional family man, he loved his wife, children and grandchildren with a passion I admired. He will be sorely missed by all who knew him as well as I did. Rest In Peace my friend, my deepest condolences to your family.*
