“ *To the family of Ricky:*

Ricky was a student of mine at The University of Texas at Tyler in a graduate management class a couple of years ago. He was a wonderful student, always smiling and worked on his projects and assignments with so much enthusiasm. I remember him well as he was so respected by team members, as well as a role model to other graduate students.

My thoughts and prayers are with his family. I am so sorry for your loss.##imported-begin##Dr. Marilyn Young##imported-end##
