“ David and I would like to say how deeply sorry we are for your loss. Robbie was such a special person. David and I loved working with him at Tyler Pipe and then Robbie and I kept in touch working in the oil and gas industry. Then finally he built our home. He will always hold a special place in my heart. Amanda we are just down the street if you need anything. My heart goes out to you and the rest of the family. RIP my friend... The Jackson's

“ Ohhh Robbie... always so friendly, usually funny, well liked, always in for adventure! He was there singing to me when Aaron (Medders) & I broke up in 8th grade....& he was there again to un-ruin my prom when Sam (Turner) & I broke up. You never believe this can happen to you...so I hope everyone is again reminded to tell loved ones they are loved. We don't necessarily have "tomorrow ".
Becky...I have been thinking about you non-stop & I don't have the words. I'm just so so so so so so sorry!!!!!! ❤️

“ Our families sort of grew up our kids together. Baseball, school— such happy memories. I always got tickled when I would ask Robbie how he was doing, and he would always reply, “Lovely.” So glad we spent so much time together. Paul and I send our love and prayers!
