“ Just settling in to the loss of such great humor and talent. Playing and singing with Uncle Bob is one of my greatest memories, and living so far away one of my greatest regrets. I am left with 60 years of great memories and send love and regards to Aunt GeNelle, my cousins, and their families. God’s healing to all of you.##imported-begin##Jim (Bob) McRae##imported-end##

“ My favorite memories are the times we sat in a circle at family get togethers and listened to Uncle Bob sing like Johnny Cash and play the guitar with all the Whites, Coxes and McRaes. What wonderful times. He will be greatly missed.

Love,

“ On one visit, I remember Bob making everyone laugh, not just a few chuckles, but major belly laughs. He knew how to light up the room with his humor. Thank you for the laughter!###imported-begin###Celeste Garcia###imported-end##
