

Robert Luther Milam II

November 30, 1943 - March 7, 2025

Robert Luther Milam II was born in Dallas, Texas on November 30, 1943. He succumbed to an aggressive and fast-moving cancer odyssey which began on February 10th and ended with his death on March 7, 2025. Bob was a modest man and did not feel the need to attach his many accomplishments and resumes to his life...he simply preferred to live it...

He was the loving husband to his wife Billie, proud father of Kimberly McFadden and Rob Milam. After marrying, he took on the role of father to Kimberly Manning Long and Christy Averitt. Grandfather to Aidan and Madison McFadden, Hayden Milan, Bobby, Ellie, Hank Manning and Jackson Averitt. He had many accolades, numerous achievements including building many homes throughout DFW area. His real passion was his life as a husband, father and devoted grandfather. He was especially proud of his relationship with Rod and Ange Pampling, his bonus daughter and their 3 children Sam, Willa and Eli. He never met a child he did not want to raise. He was a loving uncle to many nieces and nephews. Taking care of others is what he did best, he made it look easy. After the kids were all grown and scattered, he found a little piece of Heaven and moved to Hideaway, Texas in 2022. His days were filled with trips with Billie and friends to faraway places, playing golf with the Duffers, spending time with his close friend Joe Burton, volunteering at the David Powell Food pantry, construction projects with Men in Action, his service at Hideaway Community Church and helping everyone that he came in contact with. You did not meet Bob Milam without feeling his special brand

of love. A true Texas man that would always find a moment to stop and enjoy whatever he was doing, whoever he was with. Always a smile.

A contribution in his name to the David Powell food pantry <https://www.davidpowellpantry.com/> or the Hideaway Community Church <https://www.hideawaychurch.com/> would be his preference...believing that any money would be better used than on flowers. He is gone but impossible to forget...An amazing example of a "Life Well Lived".

“*Bob Milam loved boat riding on the Hideaway Lake and I have a lot of memories of Bob smiling and saying “you wanna go for a boat ride?” He knew that I was always ready for a boat ride and if the motor didn't sound just right, he'd spend hours working on the motor until it was perfect pitch and smooth boating!*
