“ Terry has been friends with Roger since high school days, dragging broadway, hanging out Tyler State Park, VFW, then later years we would be doing nothing and up drives Roger with our niece JJodi York. Bringing fresh vegetables from Jodis garden that Roger helped by telling her how to plant, probably. Roger, smiling wanting to know how Terry was doing. Later Roger was really busy with our nephew Knox, Roger was Uncle Roger to Jodi and Knox. Uncle Roger was the Uncle and father figure to many nieces and nephew. Roger was always caring for everyone else not taking time for himself. If he had it, whatever it was and he knew someone else needed it, it was there's. Roger will be missed by so many people, but I know one young lady and one special little boy that will never forget him. We love you and miss you always.
