“ *LaJuanda, it is with great sadness that I learned of Ronnie 's passing today. Ronnie was one of my mentors when I worked with Marathon Petroleum back in the early eighties. He was a Godfather of the LPG industry and was instrumental in the early success of Wanda Petroleum and Enterprise Products Company. I have many fond memories of his jokes and quick wit during our many marathon luncheons at Rudy's on Post Oak! He was a gentleman and a true friend!*

I love you dear Ronnie. I am so happy you are out of pain.

I am sure my dad welcomed you with open arms and had some kind of lovely drink when you arrived to greet you.

I have so many fond friends of you and Lajuanda and our families having fun tailgating at the UT/ATM games etc. I will always be your one and only little tea-sip!

I told Lajuanda when I grew up I always wanted to be the cool parents like you and Lajuanda. Y'all had a beautiful and fun marriage.

I will always miss you and keep the lovely memories of our families close to my heart.

I love you Ronnie. RIP. See you again one day. ❤️

Lajuanda, so sorry for your loss. I know I let Ronnie down after he did so much for me and I regret not having told him that. There's a lesson there somewhere. It was pure chaos in those early days at EPC but I loved every minute of it, and thank you Ronnie for the opportunity. He will be missed. Jack Preston
