“ *I have such fond memories of Ruby and Paul years ago in the early sixties when I knew Lisa Olsson. Paul once co-signed for me to buy a guitar. I have never forgotten such a kind gesture!*

“ *Ruby was one of a kind, i remember when i transferred to Wal-Mart 1022 and worked with her in stationery, she knew her cards and was always on top of it, i love Ruby and hated i lost contact with her, She was such a great person with a heart bigger than Texas. Heaven gained an angel and there is a big void here on earth. RIP Ruby , i loved you then, i will love you always*

“ Ms. Ruby was one of the best woman I know. She had a beautiful heart and was always happy to see me when I walked in her front door. She loved every meal I fixed for her, Banana pudding and cheesecake was her favorite. I love you with all my heart, Ms Ruby I will see you again
