“ *I worked with Rudy ("Rootin Tootin" as I nicknamed him) at the Post Office. His dry sense of humor and funny quips had me in stitches many days. I wrote down "The Best of Rudy" and I have an envelope full of his quotes. When I look through them, I get a good laugh for myself. Now he and his friend, Doug, can banter again in Heaven. Rest in peace my friend. I'll be joining in the fun when my time here ends. Praise the Lord for our gift of Salvation through Jesus Christ! Lynn Miller*
