“ *It is with much sorrow that I learned of Danny's passing last week and I wanted to express my condolences to the entire family. Danny was always very friendly to me and I am lucky to have known him and several of his family members. Early on I found him to have a great reputation for honesty and willingness to help in an emergency situation. Several years ago he rescued my tractor from almost falling sideways into a deep creek at a 35 degree angle. He was able to pull it away from danger and without a single scratch on the tractor. Needless to say I was amazed! Danny was a wonderful example to all who knew him and he will be greatly missed. - Larry Miles*

“ We are friends of the Lovette’s and we had the pleasure of enjoying the company of Possum, Shawn and family when we visited for Amy’s wedding. We have a family towing business. That and our close friendship with the Lovette’s was immediate common ground. We had such a fun time getting acquainted. Possum was a hard worker and full of heart! Quite a character actually! We had a very memorable visit.

Rest In Peace Possum. Love to the whole family.
