“ *It was with deep sorrow  
that our local paper acknowledged the recent passing of Ruth.  
Geography created distance but history of our  
shared ,common, formative years also created a bond that is  
enduring ,caring and  
beyond value.  
Our sincere sympathies  
and God bless you all.*

“ Arlene and Kent,  
We were so sorry to hear of your mother’s death. She was a loving and kind person who loved her children and was so very proud of you. Many of our conversations centered on you and what was going on in your lives. I missed her when she moved from Sherman. She was truly the sweetest, kindest, most positive person and we all enjoyed being around and with her. I know you will miss her but know also that you have wonderful memories of her loving and caring ways.##imported-begin##Dorothy McKee##imported-end##

“ *One of the sweetest ladies I ever knew. My husband was in Medical Plaza in Sherman in 1982 and Ruth had an office there. I spent the last five weeks of his life with him there, and she visited with me almost every day and encouraged me . It meant so much to know someone cared. This was not her job. I hated it when they moved away. Dr. Bown was our doctor at the time. She was very special.##imported-begin##Lee Joy Smithart##imported-end##*
