“ *My brother had my back. He picked me up when I was down; if I was in a bind he was on his way to rescue me, no questions. We laughed, we cried, we fought, and we forgave. I am proud of the time I had with him. We are thankful for all the family and friends that came out of the woodworks to show support in our loss. God bless you all. Lakel was all about family and friends. The memories will be shared and passed on to future generations.*

*Not only my brother, but my friend.
I love you brother.*
