“ *My memories of your family include excitement "their coming home"! I looked forward to the visits and family get togethers. And, of course, the trapeze at Aunt Thelma"s house! I think every child in this family would swing on it! All my love to you. Rest well, Dear Sally*

“ Would love to share this time of celebration for your Mother but I am unable to be there. Doesn't keep me from remembering times with your parents on the Kenyan coast ... they were special to me and to Ed and our kids. The left a legacy of love for us and for the people of East Africa.
