“ *The Camp's were customers of mine when I was in Tyler, and lived a few blocks from me in Lindale. I always looked forward to visiting with them. I enjoyed hearing them talk about their camping trips, and when I walked in the neighborhood, I usually saw Sam and Mary out working in the yard, or walking their sweet pups... My memory of them as such a happy couple and it always made me feel good to see them.*

*Love and prayers Mrs Mary and the family.*

“ *So sad to hear of Sam's passing. I had such great respect for this man. He was a good man and a wonderful employer. I remember his humorous sarcasm and good nature as I went through a terrible bout of morning sickness while I worked at Western Auto. He was so much fun to work with and very helpful to me and Dale during our first few years of marriage. God be with Mary and the rest of the family during this difficult time! I love you all!
