“ Nana, I have been so very blessed to have had such a close relationship with you my entire life. You have always been there for me in the happiest of times and even some of the not so happy times! No matter what time it was, whether we lived hundreds of miles away or even within the same home, you would stop whatever it was you were doing and lend your ear, hug, prayers and advice. The loss of you from this Earth is going to be more difficult than I can imagine at this time. I take comfort in knowing you have touched so many lives and your memory will live on in my heart and mind! Rest well, Nana, and I will see you on the other side! Love, your Mamie!
