“ *Dr Leinart was the best doctor ever. As a child I got really sick and it took two years to recover, which included monthly shots! He found a way to make it bearable. He could make me laugh, feel special, and always see "this too will pass!"*

“ *Dr. Leinart delivered me and I was named after him. He was my doctor while growing up in Terrell and I remember him fondly. As a Doctor, he knew exactly what to do to cure you. But just as importantly, he will be remembered as an outstanding servant to his community and his church. God Bless his family.*
