“ I knew Sharon too short a time-but was blessed by knowing her. She has been in my prayers for five years-I now rejoice that her pain is over. I will pray for the family left behind.##imported-begin##Martha Stork##imported-end##

“ How perfectly fitting that her name is Sharon. She shares part of the name of our Lord Jesus from the Song of Solomon 2:1(The book of Love.) THE ROSE OF SHARON.....

*She is a rose that will never wither. Her name will be spoken & whispered among the ones that love her as long as we walk this earthly life.*

*Oh, but my broken heart cries out, Please Lord, just one more day to laugh together, to cry together, to feel her many hugs, to see her smile, to eat out together, & talk of movies, politics, life, and God. One more day to work with her, hear & experience the many laughs with the &quot;Lit Girls&quot; & &quot;Jerry&quot; coming from our special literature room. And yes, even one more day to fuss together about the extra paperwork the recurring website is causing. One more day to celebrate birthdays, eat chocolate, & chocolate chip bread until we are sick. One more day to hear her whisper, &quot;Lets go out to your church on our lunch break, go to the alter and take communion.&quot; Yes, one more day to see the look of love on her face when she talks about her family and Jesus. One more day to hear her words & cards of encouragement to all of us, even through her pain. One more day to hear her say &quot;I am blessed of the Lord....&quot;*

*Then I pause, looking up through my tears, and my heart cries out again,*

*Oh, but THANK YOU LORD, for all the many days, the many memories WE DID HAVE, that have made me, and made all of us, long for just one more day.....*

*Until we see each other again, my friend, my beautiful rose of Sharon, where we will be filled with an eternal day of love & laughter together, with our Lord. I LOVE YOU.....*

*A new commandment I give you, that you love one another; as I have loved you, that you also love one another. By this all will know that you are My disciples, if you have LOVE for one another. John 13:34-35.##imported-begin##Cindy Fowler##imported-end##*

“ To Sharon's parents, brother, most prized children....  
My heart is saddened this day by the physical loss of Sharon from our midst. What a person God created and you parents raised and molded! EVERYONE that ever met Sharon always said she was different, almost perfect! She never wanted to hear that but the truth is our lives WERE better having known and been loved by this angel. My Mom died last fall and one of the first cards I received was from Sharon. I have it still today and wish I had called her to thank her for her beautiful comforting words....even in the midst of her suffering she was thinking of others. What a lesson for me to learn.  
Mr. and Mrs. Harding, dear brother & most beloved children of Sharon's.....Thank you. Thank you for sharing her with all of us and for your complete reliance on our Lord Jesus through this most difficult time in all your lives. You have truly been a shining example to us of what Faith is all about. My prayers and the prayers of all the SHS Class of '74 are with you and will remain with you always. In peace and love, Cindy##imported-begin##Cindy DeBusk McGowan##imported-end##

“ God saw the she was getting tired, and a cure was not to be. So he put his arm around her and whispered, &quot;come home with me.&quot; With tearful eyes we watched her suffer, and saw her fade away. Although we loved her dearly, we could not make her stay. A golden heart stopped beating, a determined spirit was at rest. God broke our hearts to prove to us, He only takes the best. Love and hugs to Sharon&#39;s family and friends.##imported-begin##Kelly Hoffee-Nasser##imported-end##

“ Anyone who ever met Sharon was a better person for it. No one on earth was more selfless. She had a relationship with our Lord that set a standard that we should all aspire to or exceed. Honor her with getting to know Him! You will have a better, more peaceful life for it and the bonus of seeing her again.

*I love you SharBear.##imported-begin##Staci Powell##imported-end##*

“ Sharon and I shared a time as friends that will always belong with my happiest memories. I couldn't have asked for a better friend. We had so much fun together. Even at her sickest, she reached out to people around her and tried to make them feel better. Heaven gates were surely flung open wide for her because she is surely wearing one of the brightest crowns that heaven has ever seen. My thoughts and prayers are with you all.
