“ I went to school with Sharon. She was such a wonderful person. After high school we lost touch. She has been on my mind off and on ever since. I tried to find her, but never could. Now, I know why. I'm so heartbroken that I never got visit with her again. I wanted to tell her how special she was and how much of a positive impact she had on me! I miss her dearly!!

“ I remember when she would pick me from Roxanne and Jeff's house down the road and I would ride on the back of her car on the trunk. I can't believe she has been gone 15 years now. I love you and miss you mom.
