“ Jerry & Family: Mom told me of your mom's death and I am so sorry for your loss. She was a special lady, always full of life and FUN and she will be dearly missed. I can't imagine how tough it must be right now without her and my heart goes out to you all. I know she has been sick for awhile, but take comfort that she is in pain no more. I will keep your family in our prayers during this tough time.

“ Karen, Cassie, Jerry and Arlon

I love ya'll so very much. I know it's a difficult time right now. However I'm going to keep praying for each of ya'll. I can only imagine what your going through right now. I'm just glad I got to see her for a few minutes last week before she was called home. I don't need to tell ya'll but she was a terrific woman, she was one of a kind. There will never be another person like her. God called home an angel and an angel is exactly what he got. Please remember this is not goodbye, it's just a "see you later" She will be watching over ya'll. She will all be waiting for us.

Keep in mind that she is resting comfortably with God right now. What more could we ask for? I'm really going to miss my other mom, very much.

Should ya'll need anything that I can help you with please call me (even if it's just to talk) Take Care of each other and Cassie, you and I WILL NOT be loosing touch!!!! I Love you all very much, we've all spent alot of time together and we all have wonderful memories of this exceptional, wonderful, and giving women that has every walked on this earth.

Remember to take care of each other, I'm only a call away if ya'll should need anything.

I love each of you very much

Love you always
