“ *I have known Donetta and Sheryl since I was in 7th grade(a long time ago) and I'm so blessed to have known Sheryl and honored to be her amazing daughter's friend. I remember Sheryl always being very fiesty and ready to go dancing, with big hair and high heel shoes and I know she'll be dancing her way through heaven and watching over her wondering family.##imported-begin##Heather Jacobs##imported-end##*

“ I will miss the times we spent outside shooting guns in the backyard and how she always out shot me. Over all I will miss her being around the house to always welcome me when I came home from a hard day at work.##imported-begin##Joshua Arnold##imported-end##
