“ Dear Annette and Melinda,

*I was blessed to spend time with your beautiful mother on several occasions while mom and she were in the hospital. No matter how sick she was, she was always more concerned about us and our mom, always offering words of encouragement and hope. I remember one time in particular in which the doctors had given us no hope for mom to pull through. I ran into your mom in the lobby of the hospital and she, seeing our pain encouraged us greatly. She said &quot;never give up on us Lindale girls, we are really fighters&quot;. Well, she was right, mom lived almost three more years. I know what a fighter your mom has been also. She, like mom, wanted to live to enjoy her wonderful kids and grandkids. She loved you all so much.*

*Mothers are irreplaceable, find joy and comfort in sweet memories of times spent with your precious mother. She will always be with you, in your heart and spirit. She will live on through both of her beautiful daughters.*

*You are in my thoughts and prayers at this most difficult time.*

*May God give you peace and grace as you walk through it.*

*Much love,*
