“ I have yet to understand why the good ones must die young. Didn't know you well in the last years of your life, but I can tell that the finger print you left behind will rest upon some blessed souls forever. I felt the power of your loss at your services and wanted to reach out to Amber and hold her. You are in the most beautiful place that none of us can imagine. We'll see you when we get there. Rest in blissful peace, Steven. -Natalie Taylor
