“ Oh goodness it's September 25, 2019. Words can't explain how much I miss my great great grandmother ! I always loved staying the night at her house and eating all her great and wonderful meals! Losing her hurt so bad. It still hurts to this day, she was the the light in my heart. She cared so much for us and loved us very much<3 I remember some really funny moments and memories that will forever be in my memory<3

My favorite childhood movie over there was spirit I always watched it, and I remember she would tell me to back up from the TV because I sat right at the screen and she didn't want my eyes to hurt.

I could go on and on and on, I loved her so much and I still do!

I'll be back with some more memory's hopefully!

“ Aunt Sue was a remarkable woman and she will be missed by so many. I will never forget how she opened her home to us during the Hurricane Rita evacuation with no questions asked, she said yes to 3 car loads of us! The time we spent there with her was precious and she went out of her way to make us feel at home, and share some of the family history with us.

I will always remember her fondly and with great admiration of the wonderful Mother, Sister, Aunt and woman of God she was.

God bless you all, especially the families of Cindy and Susan. May your Momma rest in peace.
