“ We became friends with Gene & Sue through our precious, mutual friends, Bill and Betty Rabe. I recall Betty and Lydia were planning a retirement celebration at that time for Sue. Shortly, afterward, they joined us at FBC Plano and we spent many happy hours together at church activities and watching Cowboys games. When they were in search of a retirement home, they invited us to visit Holly Lake Ranch with them. We fell in love with the place and moved here shortly thereafter. Sue was such a help and support to me during my Mom's last years here with us. Gene & Sue both were loyal supporters to our daughter Amy, and grandchildren, Michael & Savannah during the times they lived with us here, and later to Michael as he was inducted into the Ft. Worth Police Academy and attended his graduations and wedding. We are so thankful to have had them as a part of our Christian family. They made this world a better place for us all! Much love to you all .. Lydia, Jason/Marti & family, and Royce.

“ Lydia and family,

Bobby and I were saddened to learn of Sue's passing. Our friendship goes back many years, possibly to 1995, on a trip to Vancouver. We ate breakfast with Sue and Gene and got acquainted for the first time. That was the first of many trips we made together. We also shared a love of gospel music and other interests. Your parents were wonderful Christian examples, and we were proud to call them friends. May God bless and comfort all of you, as only He can.

*Love,
Nell and Bobby Hull*

“ While in college, I received package after package for four years from someone who called themselves “My Secret Angel.” Some of the packages were small...a roll of quarters and a roll of toilet paper, and some were large...tons of candy and food and other treats. I never knew who they were from for four years. Finally at my graduation party, Sue REVEALED herself as my Secret Angel. She made those four years away from home so wonderful. She had no idea how much it meant to me.

Years later, she still loved and prayed for me. Then she loved and prayed for my four kids. Blessed to know and love this lady!
