*I never remember a time without Sue in my life. Sue was my adopted sister by marriage to my brother. We had so many good times together. Each time we saw each other we would just pick up where we left off. I remember when I showed her how to make the clown dolls. I do not know how many she made but it was more than I did. Sue you are in my heart always. Save a place in heaven for me right next to you.

“ Sue, or as I called her Grandma McDaniel, was always someone who was kind and loving. One memory that I have of her was when her and Grandpa McDaniel, Ray sr, were visiting us. They would stay for a couple weeks at a time and this trip, it was during the school year. I was sick one day and got to spend the whole day watching Crime Shows and judge Judy with Grandma McDaniel. It was the best sick day ever! She will be missed but I know she's in heaven, enjoying the wonders of God. My prayers are with the whole McDaniel family.

“ My mom can best be described by one word, LOVE!. Anyone who knew her well, knows that. I was very blessed by God to have her as my mom. She lives on in my heart and the hearts of those who knew her as we share the love she shared with us. I will see her again in heaven one day. I rejoice in the fact that I had such a person to love in my life.

“ *Every time I saw Sue she had a smile on her face. She was soft spoken. You could tell she loved her family, but most of all, you could tell she loved the Lord. I know you're rejoicing in God's glory. You will be missed by all who ever had an encounter with you. Prayers for all the loved ones left here.*
