“ *It is with a heavy heart that i write this today. Susan was such a sweet, kind person. We were great freinds when we were very young. I remember going to her house and playing barbies for hours. She always had such great clothes for her barbies. We rode the same bus to school everyday. I just want all her family to know that Susan was always kind, sweet, and non judgemental. I never ever heard her say mean things about anyone. It is so sad to think that such a wonderful person is gone from us, but her soul lives eternally and her memory lives on, sweetly in our hearts. May her family find peace and comfort in knowing what a beautiful person she was and that she is now in the hands of our Loving Father in Heaven.##imported-begin##Binky Morgan##imported-end##*

“ To all of Susan’s family and friends, I pray for your peace and comfort from God. My fondest memories of Susan were when we were in the Flag Corp together in high school. We drove Mr. Frederick our band director nuts sometimes with our routines. I am so glad I had the opportunity to share those fun times with her. God bless you all.

“ Juanita,

I am so saddened to hear about Susan. When we had our class reunion a few years ago I was looking forward to seeing her but she was not able to make it. I was very disappointed. I have very fond memories of her and the fun we had when we were kids! I will also always be thankful that she encouraged me to attend church, participate in vacation Bible school and know more about Jesus. She played a big part in my life and I will always remember her and love her as well as you and Buck. You will be in my thoughts and prayers. “ My sincere sympathy to the family of Susan. I knew Susan when she was in elementary school. She was such a bright and beautiful young lady. I know that she will be missed by many. I will always keep her memory alive as well as her class mate Shannon Otto Kasper, who also went to be with the Lord this fall. These two beautiful young women live on in our hearts and minds.##imported-begin##Sherry Simpson##imported-end##

“ Susan I was hoping to someday get the chance again to tie you up with the water hose in your front yard and leave you there like I did in 1976. Everyone got a big laugh out of that. The entire town of Llano thought we were crazy together. We had so much fun there in such a small town with nothing really to do but drive from one end to the town to the other (a 5 minute task), gossip about everyone or listen to the gossip everyone said about the two of us together. We were best friends and everyone thought it was more than that. They could never understand our close plutonic friendship. We were like family and you were the kid sister I never had. Your boyfriends were all jealous of me and since we were all on the same football team, they always took the chance to give me a good ‘hit’ in practice each week to make sure I knew they were not too happy about it.

We did so many crazy things together it would make a nice novel and would take up more space here than there is allowed. To this day I don’t think Llano has ever recovered from all we did. I kinda like knowing that. I think you do too. With any luck we will never be forgotten. I know everyone that has ever known you will never forget you. I won’t either Susan.##imported-begin##Larry Clutter##imported-end##

“ *My sincere sympathy to Susan’s family. Susan and I met when our kids were little. Maybe Amaris remembers my daughter Laura. They used to play together when we lived in Round Rock many years ago. I am so sorry for your loss, and have kept you in my prayers this past week.##imported-begin##Mary Watkins##imported-end##*
