“ Susan and I met in 1969 when I had first moved to Dallas. I was working for Kelly Girls and one of my assignments was at the company Susan worked for. We became friends and shared many good times together. At that time I did not have children so it was great that she shared Suzie and Le with me when I went to her house. She was always a good friend. May you rest in peace my friend. I will miss you. Love, Kelli Worley.
