“ *Grandma was the epitome of unconditional love and everlasting light -- all with a side of sass and feistiness. She was one of my favorite people and I will dearly miss our monthly love notes and puzzle dates. Thank you Grandma for sharing your wisdom, your fearlessness, and your never-ending love. I will forever cherish our last few days together -- laughing, singing, and being present together.*

“ Teresa was the most loving person I had known since my Mother died when I was 23 yrs old. She would say she didn't do anything special for us...”she just loved us”! And she did love that band of misfits and messed up women in Hobbs that she mentored! God used her mightily to bring us to Himself and her passion for Him was what drew us! I can hear her laughter now as she is gazing upon her Savior! What a gift God gave me, when she walked into my life. I will miss her laugh and her stories and her prayers of encouragement; but we will be together again! Thank you Mommy Teresa for loving me like Jesus!!! ❤️ Betsey (Betty) Hood
