“ *I started working with Terri at Partners/VNA, in 1989, we had lots of parties, friends, laughs, music, and great times. This lasted a good ten years then everyone started moving on and going separate ways in their lives.*

Just recently re connected with Terri and was going to visit her this summer.

Terri we will re connect again on the other side. I thank God for our friendship and for you.

“ So, sorry to hear of Terri's passing. She was always so kind,
thoughtful and so sweet to me at Dr. Russells office. No matter how
she was feeling she always complimented me in some way. She
meant alot to me and her mother also. I will always remember Terri
and her smile.
