“ Mike and family, as a nurse on 10 Roberts at Baylor Dallas, my heart is broken to hear of the passing of Terry. What a light she was to all of us on the unit. I remember having the privilege of taking care of her right after transplant, and it was just that..such a privilege! She was a fighter! The sweetest spirit and always such a joy, even in the hardest of days. She touched my life and many others. She will be missed! Sending our condolences & prayers your way. -Hailee, 10R RN & your Baylor family

“ *Mike and Houston,*

I was saddened when Cindy called to let me know that Terry had left us. As I considered deeper what I know about Terry's heart I was encouraged to know that she is now well. I was blessed to work in a great Hess team with Terry but more blessed to know she and her family personally.

Bless you all. Jan and I will be praying for you today. Halleluiah!

“ Mike, Lance, Kelly, and Houston and families, please know we are keeping you in our prayers. I share in your loss and will miss Terry. She was one of a kind! We shared so many memories together. I still remember her bringing Brian that little Philadelphia Eagles jacket from one of her trips home and how proud he was of it and the mortified look on Frank's face when he saw "his little Dallas Cowboy" in an Eagles jacket. Terry just laughed til the tears rolled down her cheeks and told Frank that she better see him wearing it. And he did until he worn it out. But more than that, I remember her sweet ways and giving heart. She was a true friend. She will be missed. Love and hugs to all. Janet & Frank Raybon

“ I've been thinking of who Terry was to me. From the first time I met her 34 years ago until our last conversation in March, she pulled me in with her love. She was so humble in her suffering. She was real in her words and deeds.

Generous, gracious, wonderfully outspoken, faithful, fearless, and beautiful friend, I'll miss you.

Mike and I are so sorry for y'all's loss. We join in grief with so many others.
